They are both very amazing in gymnastics, and they do their best in anything in life. Baby sister Solanna is going to want to be in gymnastics, too, like her big sisters. Mommy loves you girls very much. Keep believing in yourself.

Sofía & Stephen Esparza

How time flies.....

You two make us proud every single day with your energy, passion and dedication. You've had some bad days but everyday you've learned something new. Stumbles, trips, and mistakes will often happen, but true strength is found in the courage to get back up. Never, ever give up. Keep practicing until it's perfect, but more importantly, practice until you can't get it wrong.

Eva Covarrubias

**Love Always,
